

Hello Members and Associates,

My name is Joan Wakefield-Griffith and I am the 47th President of MSHCSP. I am excited to be able to accept this position and to follow my predecessor, Ruth Bellomo. I would like to take this opportunity to thank her for all the hard work and challenges that comes with the position of being President. I cannot forget to mention all of our board members for all their help. Without teamwork, we could not have had wonderful conferences. As our organization pushes forward, since the Covid epidemic, we have had to make some changes with our conferences. We have reduced our conferences from 3 days to 2 days and have moved the days to include a Saturday. This has been quite beneficial for many to be able to attend without taking a work day off. Our last two conferences have been quite successful with these changes. It truly has to do with successful teamwork! So I am happy to announce our upcoming conference for 2024:

“SUCCESSFUL TEAMWORK DRIVES DREAMWORK! LET’S MOVE FORWARD TOGETHER!”

Please mark your calendars for these dates: **MAY 17TH & 18TH 2024**

It will be held at **CLUB VENETIAN 29310 JOHN R RD, MADISON HEIGHTS MI 48071**

As always our board members as well as myself will be working hard to make this conference an enjoyable and fun experience. More information will be provided soon. Hope to see you all at the conference. I look forward to this coming year to lead this organization with the support of our board members.

TEAMWORK!

Joan Wakefield-Griffith
